

# **Market Research on Hazardous Wastes in Bulgaria**

## **Interim Report**

**for**

**13 February 2017**

## CONTENTS

|       |                                                            |    |
|-------|------------------------------------------------------------|----|
| 1.    | EXECUTIVE SUMMARY.....                                     | 5  |
| 2.    | INTRODUCTION AND TASKS.....                                | 10 |
| 3.    | PYROLYSIS INSTALLATIONS.....                               | 12 |
| 3.1.  | PYROLYSIS INSTALLATION IN VIDIN .....                      | 12 |
| 3.2.  | PYROLYSIS INSTALLATION IN ROUSE .....                      | 13 |
| 4.    | WASTE OIL RECYCLING.....                                   | 15 |
| 4.1.  | “LUBRICA” .....                                            | 16 |
| 4.2.  | “POLICHIM CC” .....                                        | 16 |
| 4.3.  | “STEALIT” .....                                            | 17 |
| 5.    | “FILTER CLAY” IN BULGARIA.....                             | 17 |
| 5.1.  | RECYCLERS OF WASTE OILS .....                              | 17 |
| 5.2.  | “ALCOMET” .....                                            | 19 |
| 5.3.  | VEGETABLE OIL REFINERIES .....                             | 19 |
| 5.4.  | SUN FLOWER OIL PRODUCTION.....                             | 20 |
| 6.    | PETROL INDUSTRY .....                                      | 21 |
| 6.1.  | “BULMARKET” .....                                          | 21 |
| 6.2.  | “POLYSAN” .....                                            | 23 |
| 6.3.  | “INSA OIL” .....                                           | 23 |
| 6.4.  | “VERILA RECYCLING” .....                                   | 24 |
| 6.5.  | “GAS STATIONS” .....                                       | 25 |
| 6.6.  | GENERAL INFORMATION – TRANSPORT AND STORAGE OF FUELS ..... | 27 |
| 6.7.  | “LUKOIL NEFTOCHIM - BURGAS” .....                          | 27 |
| 7.    | PORTS IN BULGARIA .....                                    | 28 |
| 7.1.  | GENERAL INFORMATION .....                                  | 28 |
| 7.2.  | “MARINE ANTIPOLLUTION ENTERPRISE” MAE.....                 | 29 |
| 8.    | BATTERIES RECYCLING .....                                  | 30 |
| 8.1.  | “MONBAT RECYCLING” .....                                   | 30 |
| 9.    | AUTOMOTIVE INDUSTRY .....                                  | 31 |
| 9.1.  | “MONTUPET” .....                                           | 31 |
| 9.2.  | “EPIK ELECTRONIC ASSEMBLY” .....                           | 31 |
| 9.3.  | “WITTE AUTOMOTIVE” .....                                   | 32 |
| 10.   | STEEL INDUSTRY .....                                       | 32 |
| 10.1. | “STOMANA PERNIK” .....                                     | 33 |
| 10.2. | “METAL TECHNOLOGY GROUP” .....                             | 33 |
| 11.   | PAINT INDUSTRY.....                                        | 34 |
| 11.1. | GENERAL INFORMATION ON PAINT INDUSTRY IN BULGARIA.....     | 34 |
| 11.2. | “MEGACHIM” .....                                           | 34 |
| 12.   | PHARMACEUTICAL INDUSTRY.....                               | 35 |
| 12.1. | GENERAL INFORMATION – EXPIRED MEDICINES.....               | 35 |

|          |                                                    |    |
|----------|----------------------------------------------------|----|
| 12.2.    | GENERAL INFORMATION – PRODUCTION WASTE .....       | 36 |
| 12.3.    | LEADING PHARMACEUTICAL COMPANIES IN BULGARIA ..... | 36 |
| 12.4.    | MAJOR WHOLESALERS IN BULGARIA .....                | 37 |
